The discussion of the Mobile Era.

The death of Col. Baxter has removed the chief incentive and palliation of the murder etc. Up to one day have fallen away; leave upon their souls and pay tribute to their

Declaration of the Independence, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. We hold these truths to be self-evident, that all men are created equal, that they are endowed with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. We hold these truths to be self-evident, that all men are created equal, that they are endowed with certain unalienable rights, that among these are life, liberty and the pursuit of happiness.

The Detroit Daily Advertiser, having changed hands, has come out with a new dress and a new name. The Daily Detroit Tribune is the title of the new paper. It is a handsome sheet, and we wish it success.

We have not space to-day for the Democratic platform, but we shall publish it to-morrow. It is a strong, able document, and we hope it will be read by every man in the State.

The Democratic Convention of Illinois will meet at Springfield, on the 18th, Thursday of the present month. The Democracy of Cook county will be represented in that body by 100 to 120 men
